

Rio Brazos Master Naturalist Chapter

2017 Master Naturalist Training

The 2017 Master Naturalist training classes are scheduled to begin on Saturday February 4, 2017 and continue until Thursday September 21, 2017. There are a total of 11 classes allowing for better in depth presentations. The training will include classes and field exercises and will start at 9:00 AM and end between 3-4 PM. The classes are open to residents of Hood, Johnson, and Somervell Counties, however we will accept students from the surrounding counties as well.

The fee is \$125.00 and this covers the class materials, instruction fees, and a training manual.

The Texas Master Naturalist Program is a natural resource based volunteer development program jointly sponsored by the Texas AgriLife and Texas Parks and Wildlife Department. Our mission is to develop a group of well informed volunteers who provide volunteer services in education, outreach, and service dedicated to the beneficial management of the Texas natural resources and natural areas.
